2017 NEU Agreement

Below is a standard agreement that must be signed by all NEU School Principals. As you read, please know that we are not suggesting that you must answer to No Excuses University in regards to all matters related to your school. We are simply stating that when it comes to the use of the NEU name, logo, and being a part of the NEU Network of Schools, the items below are considered as non-negotiable expectations. Failing to adhere to any part of this agreement may result in your school being asked to exit the NEU Network.

On behalf of the No Excuses University at _____ School in _____ (city), _____ (state), as lead representative of my school I agree to the following:

	Checking each box and signing this document indicates your endorsement to all terms of this agreement.
	I/we will not authorize the use of the trademarked NEU name and/or logo to any individual or organization other than our school, without the express written consent of No Excuses University.
	Any speaking engagements that include a significant discussion about the No Excuses University concepts for which any staff member or I receive compensation must be booked through No Excuses University and the President, Dan Lopez.
	I/We understand that should the principal of our school retire, resign, transfer or be terminated, it is the school's responsibility to promptly inform Damen Lopez of the leadership change. Also, I/we understand the new principal must attend a No Excuses University Institute within one year of their appointment to our school. Failure for a new principal to attend an institute may result in the exiting of our school from the No Excuses University Network of Schools.
	I/We understand that No Excuses University is <u>not</u> a "program" that we are implementing or running at our school. I/We understand that our school is a No Excuses University School because we are developing <i>Six Exceptional Systems</i> that serve as the foundation for our school's success.
	I/We commit to having our school's principal and at least one additional representative from our school attend an NEU National Convention a minimum of once every two years.
	I/We commit to paying a \$129 annual subscription fee for NEU Connect, the online resource-sharing platform for the NEU Network of Schools.
	I/We agree to clearly identify our school as a "No Excuses University School" and/or display our school's NEU logo on our school website, school social media outlets, and other promotional resources that market the school to our school community.
	I/We understand that should our school be exited from the No Excuses University Network of Schools, it is the responsibility of the principal to cease all use of the trademarked No Excuses University name and logo school-wide within 90 days of a written request from Damen Lopez.
	I/We understand that the use of the No Excuses University name and logo, and acceptance into the No Excuses University Network of Schools is granted on a yearly basis. I/We understand that all No Excuses University Schools must participate in the annual required NEU Leadership Webinar and complete No Excuses University's "maintain status" requirements to retain membership.
	I/We understand that the principal is responsible for ensuring that all current and future members of my staff agree to all of the above terms.
