NEU CAMPUS IN GRESSIER, HAITI
2019-2020 NEU CHARITY OF THE YEAR

Shepherd's House
Shepherd's House (Gressier) is the only NEU campus in Haiti. It is a small, one-room schoolhouse that serves 100 students from grades 1 through 5. The school is a model of excellence and is a source of pride for the community. It is a great blessing to be able to support this school and its students.

The No Excuses University Network of Schools is proud to partner with Friends and Family Community Connection in our mission to build Shepherd's House, an NEU campus for orphans and children in need. Our goal is to have every school in the network to exist and make this a reality. There are three ways for NEU students, parents, and staff to get involved:

- 1 Organize a school fundraiser and send funds directly to our partner: Friends and Family Community Connection.
- 2 Contact FFCC to coordinate a food packing event at your site.
- 3 Travel with FFCC to Haiti to serve in the building and sustaining of our NEU efforts. (FFCC does already have a team with over 100 people)

Friends and Family Community Connection is a registered non-profit (Tax ID # 76-2887942). All funds can be sent directly to 12462 Ravenna Boulevard Rd., #180, San Diego, CA 92128.

The direct contact to our lead partner in this effort is Phil Harris. He can be reached at phil@ffcc.org or by visiting www.ffcc.org.

100% of the funds NEU raises will be used to build and sustain the school.
