NEU ALUMNI OF THE MONTH

Name: Raven Hall

NEU School: Liberty Elementary School

College: University of La Verne

Major: English Literature

NEU Impact: "The concept of a "No Excuses University" was introduced to me when I was really young, so I always thought that after graduating from high school, the automatic thing to do from there was go to a four-year University...NEU is the seed that sprouted my excitement for the next part of my life. I could not be more happy where I am in life at the moment because this is exactly what I have been waiting for."

Advice for K-12 Students: "Remember that it does not matter what background one has, that person can be successful if they put the effort in and believe in themselves...there is no excuse not to achieve your dream whatever it may be, using whichever path, if you believe in yourself and put the effort in."
