SCHOOL SPOTLIGHT

Ceres Elementary School's (Located in Whittier, CA) Parent Center empowers parents of NEU students to do well. Parents can attend weekly ESL, Mental Health, and Literature classes and model to their student that they are college bound. Recently, Ashford University adopted Ceres Parent Center to be part of the No Excuses University Network!

NEU ALUMNI OF THE MONTH

Name: Alexa Solis

NEU School: Eagle Elementary School

College: Azusa Pacific University

Major: Nursing

NEU Impact: "At a young age, I knew that my educational opportunities were endless. Both of my parents are in education and stressed the importance of pursuing a college degree...Through the NEU network I was taught that making a commitment to work hard, collaborating with others, and meeting the academic standards were the first steps in preparing for my future..."

Advice for K-12 Students: "First and foremost, believe in yourself. This is the first step in creating the best outcome for your life. Second, find a routine that works for you. Everyone learns differently, so try out new study habits to find one that will help you succeed. Third, get involved with the community... Always remember that everything you do now will start to build your pathway for the future."
