

## NEU Annual Agreement

The expectations listed below must be agreed upon by the site principal on behalf of their staff. By paying your annual NEU Connect Subscription Fee, you are also agreeing to live up to the expectations listed. Failing to adhere to any part of this agreement may result in your school being asked to exit the NEU Network of Schools and cease the use of the officially trademarked NEU name and logo.

As the principal of the school:

1. I/we will not authorize the use of the trademarked No Excuses University name and/or logo to any individual or organization other than our school, without the express written consent of No Excuses University.
2. Any speaking engagements that include a significant discussion about the No Excuses University concepts for which any staff member or I receive compensation must be booked through No Excuses University and the President, Dan Lopez.
3. I/We understand that should the principal of our school retire, resign, transfer or be terminated, it is the school's responsibility to promptly inform the No Excuses University of the leadership change. Also, I/we understand the new principal must attend a No Excuses University Institute, Boot Camp or Leadership Academy within one year of their appointment to our school. Failure for a new principal to attend one of these events may result in the exiting of our school from the No Excuses University Network of Schools.
4. I/We understand that No Excuses University is not a "program" that we are implementing or running at our school. I/We understand that our school is a No Excuses University School because we are developing *Six Exceptional Systems* that serve as the foundation for our school's success.
5. I/We commit to having our school's principal and at least one representative from our school attend an NEU National Convention a minimum of once every two years.
6. I/We commit to paying a \$149 annual subscription fee for NEU Connect, the online resource-sharing platform for the NEU Network of Schools.
7. I/We agree to clearly identify our school as a "No Excuses University School" and/or display our school's NEU logo on our school website, school social media outlets, and other promotional resources that market the school to our school community.
8. I/We understand that should our school be exited from the No Excuses University Network of Schools, it is the responsibility of the principal to cease all use of the trademarked No Excuses University name and logo school-wide within 30 days of a written request on behalf of the No Excuses University.
9. I/We understand that the use of the No Excuses University name and logo, and acceptance into the No Excuses University Network of Schools is granted on a yearly basis. I/We understand that all No Excuses University Schools must participate in the annual required NEU Leadership Webinar and complete any other yearly requirements shared at the beginning of each year in order to retain membership and use of the NEU name and logo.
10. I/We understand that the principal is responsible for ensuring that all current and future members of my staff agree to all of the above terms.

**By submitting your NEU Connect Subscription Fee, you are agreeing on behalf of your school to meet all expectations listed above. Do not submit your membership fee if you do not agree.**
