The University of Arizona Global Campus (UAGC) is the exclusive national university partner of No Excuses University (NEU), a network of more than 200 K-12 schools. Together, UAGC and NEU offer you the opportunity to be awarded one of two scholarships that can help finance your education.

Application Deadline:
November 1, 2022

The UAGC College of Arts and Sciences is proud to offer one full-program master's scholarship to a teacher and one full-program undergraduate scholarship to a parent or guardian in the No Excuses University (NEU) network of schools.

"My passion and persistence for helping others, especially my community, is the reason why I applied for the UAGC & NEU Parent Scholarship. It was an easy application process and I was shocked when NEU and UAGC both surprised me at Pence Elementary with a full bachelor's Scholarship! The one at a time course schedule is very adaptable when taking asynchronous courses, which made it easy. I am able to work full time, care for my family, and still set aside time for my courses. I highly recommended UAGC to others. I even made the Dean's list for Spring 2022 and will continue my path to success! Thank you, NEU & UAGC!"
